

CORRECTION

Correction: Coupling environment and physiology to predict effects of climate change on the taxonomic and functional diversity of fish assemblages in the Murray-Darling Basin, Australia

The PLOS ONE Staff

The first author's initials appear incorrectly in the citation. The publisher apologues for the error. The correct citation is: Oliveira AGd, Bailly D, Cassemiro FAS, Couto EVd, Bond N, Gilligan D, et al. (2019) Coupling environment and physiology to predict effects of climate change on the taxonomic and functional diversity of fish assemblages in the Murray-Darling Basin, Australia. PLoS ONE 14(11): e0225128. <https://doi.org/10.1371/journal.pone.0225128>.
