

Retraction of “Flexible and Microporous Chitosan Hydrogel/Nano ZnO Composite Bandages for Wound Dressing: In Vitro and In Vivo Evaluation”

P. T. Sudheesh Kumar, Vinoth-Kumar Lakshmanan, T.V. Anilkumar, C. Ramya, P. Reshmi, A.G. Unnikrishnan, Shantikumar V. Nair, and R. Jayakumar*

ACS Appl. Mater. Interfaces **2012**, 4 (5), 2618–2629, DOI: [10.1021/am300292v](https://doi.org/10.1021/am300292v)

The authors retract this Article after they discovered duplication and inappropriate presentation of images. These errors refer to panels in Figures 5 and 8, and these could affect the main conclusions of this work.

The original Article was published on April 11, 2012, and retracted on July 26, 2019.
